SMALL BUSINESS INNOVATION RESEARCH (SBIR) | NON-DILUTIVE FUNDING FOR YOUR COMPANY

What if I told you there is a funding opportunity in the US that is restricted to small companies, focuses on technology, and takes no equity (non-dilutive), debt stake (grant or contract, not a loan), or claim on Intellectual Property (IP) for what may be a seven-figure investment?

WHERE ICTE 2020 TAKES PACE: GOLINELLI FOUNDATION AS A SUCCESSFUL MODEL OF ITALIAN SCIENCE TURNED INTO NEW VENTURES

Italy is a nation of entrepreneurs. Creativity and artistry throughout the country are the fundamental elements that create new ideas and foster innovation, turning these ideas into products. However, something more is needed; these concepts must find their place in the markets.

IEEE Entrepreneurship

© Copyright {{my.copyright year}} IEEE– All rights reserved.

A not-for-profit organization, IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity.

You've been identified as someone who is interested in IEEE activity related to entrepreneurship either through your IEEE member profile, attendance at an IEEE event, and/or a sign-up on an IEEE startup related activity.

IEEE • 445 Hoes Lane, Piscataway, NJ 08854 USA
