RESOURCES FOR LOCAL IEEE COMMUNITIES

The IEEE Entrepreneurship community is at the forefront of turning great ideas into successful entrepreneurial programs. We make it a priority to support our local members that have a passion for engineering, innovation, and entrepreneurship by offering a

portfolio of helpful services, opportunities to get involved, and networking platforms.

CALL FOR SUBMISSIONS

IEEE Entrepreneurship is in the process of creating a library of helpful, insightful, and honest stories from entrepreneurs like you, describing your journey from idea to start-up. The goal is to make these stories available to people in the IEEE Entrepreneurship ecosystem for inspiration, guidance, and lessons learned.
