Driving The Next Startup Wave

Entrepreneurs Discuss Engineering's Social Impact at IEEE VICS 2018

The panel speakers consisted of experts from engineering, young professionals, investors, and entrepreneurs. IEEE Entrepreneurship provided speakers Matthew Fielder, co-founder and CTO of re:3D, Ryan Cousins, co-founder of krkl inc; Veronica Osinski, founding managing partner of Trifecta Capital; and

Kevin Noertker, co-founder of Ampaire. The panelists gave insight on the impact that engineering has on society and which engineering ventures are perceived as risky by investors.

What's New

Female Engineers: Be Fearless and Take Risks in Your Career

Speakers at this year's IEEE Women in Engineering International Leadership Conference gave confidence-boosting tips. The annual event brought together nearly 1,000 women in technology including top executives at Intel and Qualcomm.

Startup's Wireless Earbuds Augment Hearing & Control Noise

IQbuds Boost from Nuheara allow people to hear what's going on around them as they listen to music or podcasts. The latest version of Nuheara's IQBuds Boost can be used by those who are hard of hearing.

Launch of IEEE Entrepreneurship Founder Office Hours Pilot Program!

IEEE Entrepreneurship is proud to announce the launch of its inaugural Founder Office Hours Pilot Program. Open to all IEEE members, this initiative looks to help entrepreneurs within our community succeed in creating businesses that advance innovation and technological excellence for the benefit of humanity.

Read more about how to apply on the IEEE Entrepreneurship blog!

Upcoming Community Events

Events with a strong technology focus that overlap with IEEE's field of interest

**IEEE WCCI 2018**

World Congress on Computational Intelligence

Rio de Janeiro, Brazil

July 8, 2018

FIFTH POWERAFRICA CONFERENCE

Tshwane University of Technology

Capetown, RSA

June 26, 2018

IEEE 5G WORLD FORUM 2018

IEEE 5G Initiative

Santa Clara, USA

July 9, 2018

ICM 2018

International Conference on Magnetism

San Francisco, USA

July 15, 2018

PITTSBURGH SECTION MONTHLY MEETUP

Regular Meeting of Pittsburgh Section

Pittsburgh, USA

July 3, 2018

Speaker Spotlight:

Kelly Hoey: Build Your Dream Network

Kelly Hoey is an advocate for building and pursuing a diverse team. "Hire the person that pisses you off. Chances are that you've got something different there", she said during the IEEE N3XT® April event. Diversity of thought and training lead to a diverse network, which is a strength for an early stage company.

Watch Kelly and all the speakers

from IEEE N3XT® by clicking
