Driving The Next Startup Wave

IEEE Italy Section: Special Meeting on Innovative Start-up and Entrepreneurs

After the success of the first edition held in Modena on September 2017, this year IEEE Italy Section with the cooperation of University of Palermo and the technical support of Consorzio ARCA organized the second edition of this special edition of this special meeting devoted to start up and entrepreneurs.

The event is part of the annual forum of the Italy Section, now at its 4th edition (RTSI - Research and Technology for Society and Industry) held in Palermo University Campus on September 10-13, 2018.
